Please Describe Reason for Skip-A-Payment Request: _____

I hereby request Clearpath Federal Credit Union to authorize Skip-A-Payment on my aforementioned loan(s) for the subsequent payment cycle. I agree to and understand the following conditions:

1. In order to Skip-A-Payment I must be a member in good standing and agree to pay \$25 for this privilege;
2. Finance charges will continue to accrue on all new and existing balances during the skip period pursuant to my agreements with Clearpath; and all terms and conditions will apply after the skip period;
3. Clearpath Federal Credit Union will run a credit report to determine my ability to receive this offer;
4. The term of my loan will be extended because of this Skip-A-Payment and therefore extra payment(s) will normally be subsequently required after the loan(s) would have otherwise been paid off;
5. Clearpath Federal Credit Union must approve Skip-A-Payment requests; not all requests are approved.

Skip-A-Payment privileges exclude all Real Estate Loans and Anytime Loans. Loans must have originated at least 180 days prior for eligibility. You may request one Skip-A-Payment per loan per 12 month period.
