Credit Unions exist to serve their members. We are committed to providing superior services & partnering with our members to improve their financial wellbeing.

We are committed to provide you with the tools, training, and opportunities for you to pursue your career with Clearpath Federal Credit Union.

We believe in, and strongly encourage, teamwork among our employees and our management team to ensure a pleasant and cooperative work environment.

Great benefits provided to the employee and applicable dependents (medical, dental, vision, group term life, optional life, and more).
